## North Carolina Board for Licensing of Geologists

August 7, 2020

Sherri L. Scott  
Tersus Environmental  
1116 Colonial Club Rd  
Wake Forest, NC 27587

Re: Application for Continuing Education Approval  
Activity Title: Remediation Short Course - Optimization and Monitoring for Bioremediation of Chlorinated Compounds  
Sponsoring Organization: Tersus Environmental  
Approval Code: 190161  
Hours Approved: 6

Dear Ms. Scott:

The Continuing Education Committee and the Board reviewed and approved the application listed above on August 5, 2020. The activity has been approved for **6** Professional Development Hours (PDH).

Please be prepared to provide attendees with proof of attendance showing the date the activity took place and the number of hours received. The approval code listed above is required when licensees report their continuing education. A sample Proof of Attendance form can be found in the Download Center on the Continuing Education page of the Board website at [www.ncblg.org/ce/](http://www.ncblg.org/ce/). Please feel free to use this form.

Contact our office should you have questions.

Sincerely,

Barbara U. Geiger  
Executive Director
